

THE SENIOR CENTER BROADCASTER

We're Going Digital!

After 50 years of mailing our newsletter, we have decided to follow the other York County Senior Centers in saving the expense and hassles of mailing. This will be a significant savings in postage and annual permits that can be better used towards our building expenses. **Newsletters are available on our website, Facebook page, and always available to pick up at the center.** Now that we own our own place to call our "Home Away From Away," we know we have your support and understanding in this decision.

NORTHEASTERN SENIOR

Spread the word... We're ARE Moving to Strinestown!

Squash the

RUMORS!

We were very disappointed to not have received a state grant for putting in a kitchen at our new building. We have monies in our building fund which were not depleted from the purchase of our new building and additional recent donations to the fund. We WILL begin the renovation work! It may not include everything we were hoping for—but we are holding on to the trust that when one door closes another opens.

Additionally, we want to address and squash any rumors: We are indeed moving to the new building. Our plans are moving forward, and we are committed to making this transition happen. Your continued support and patience are greatly appreciated as we embark on this exciting new chapter together.
